Reminders:

To complete the LAC, a student must earn a grade of “C” or better in all required coursework taken to meet the LAC requirements.

A student must choose courses from **two different disciplines** to satisfy credit requirements **within** the categories of Humanities and Social Sciences (e.g. two PSC courses cannot be used to fulfill the Social Sciences requirement).

A student **may not** use courses from the same discipline to satisfy credit requirements **across** the categories of the Arts, Humanities or Social Sciences (e.g. a student who takes a History course to satisfy a Humanities requirement may not take another History course to satisfy a Social Sciences requirement. A student who takes a Communications (COM/CST) course as an ART requirement may not take a COM/CST course to satisfy a Humanities or Social Science requirement.). A student may, however, use a course from the same discipline to complete the Arts requirement (e.g. a student who takes ART 105 to satisfy an Arts requirement may take ART 106 to fulfill the requirement.)

January 31, 2012
A student may take a course from the *same discipline* to satisfy credit requirements across the Global Studies category and other categories (e.g. a student who takes a Sociology class to satisfy the Social Sciences requirement may also take a Sociology class for Global Studies).

WRI-2 courses are the only courses that may “double dip” (e.g. a student who takes a WRI-2 in English may also count that course toward the Humanities requirement).

The Honors prefix (HON) can be repeated across and within designations.
