Trip Highlights~

Visit and enjoy London. Our itinerary will educate us on the country who gave the U.S. its Common Law heritage and shaped our legal tradition, education, criminal procedure and approach to law and government. We will participate in a presentation at New Scotland Yard, take a tour of the Houses of Parliament and spend a day at the London Courts, Westminster Magistrates and Southwark Crown Court. We'll hear a case at Old Bailey, and enjoy a visit at a Volunteer Police Cadet Center as well as the Royal Courts of Justice and Central Criminal Court. The Tower of London will be part of our itinerary as well as time to experience London on your own, its pubs and nightlife.
