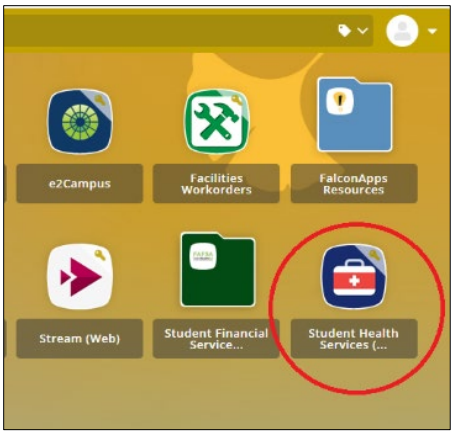
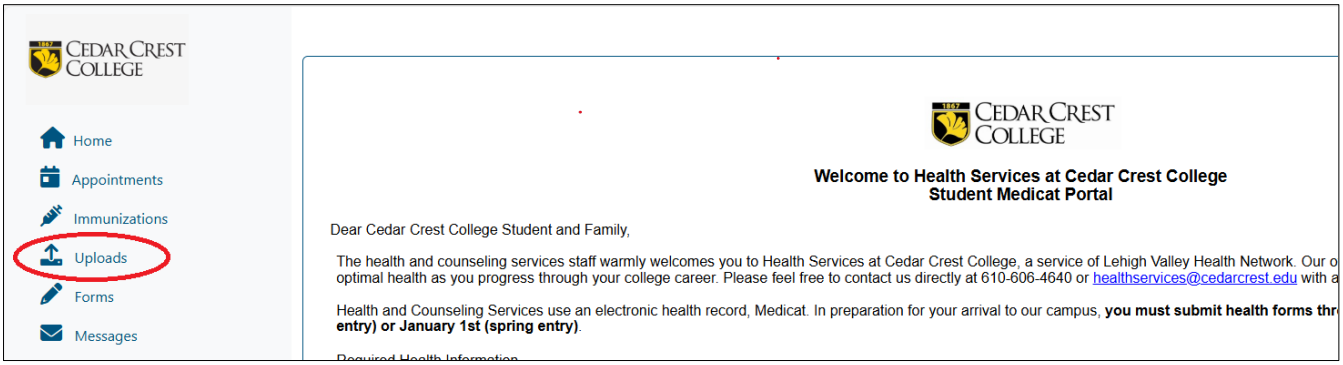
Health and Counseling Services offers a variety of services to help you maintain optimal health and wellness as you progress through your college career. Our electronic health record system, **Medicat**, is used to complete all required documentation prior to your first semester at Cedar Crest.



Step 1: Go to: https://falconlink.cedarcrest.edu
Step 2: Login to FalconLink and complete the two-factor authentication
Step 3: Click the "Student Health Records" icon, which will direct you to Medicat.
Step 4: FalconLink will automatically log you into the Medicat when you click on the icon. If you are not automatically logged in, your *FalconLink login and password* when prompted for a login and password. You may have to accept program installations/blockers that your operating system may have.
Step 5: Click the icon on the left to **Upload** your information.



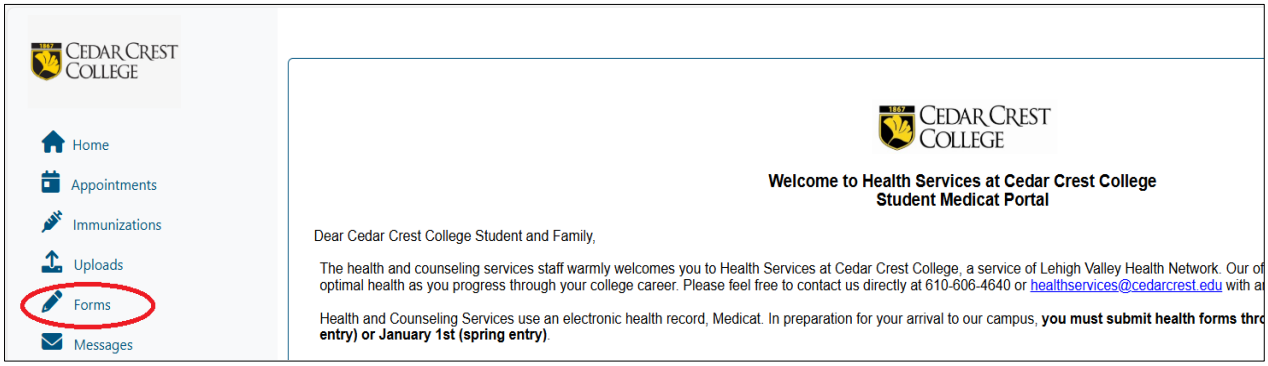
A. Physical Exam Form
- Print the physical exam form on Medicat and have your provider complete and sign the form.
- Upload the completed form through the "Uploads" tab in the Medicat Health Portal.
- Athletes are also required to complete athletic medical clearance paperwork. Information about this process is provided to new athletes after June 1.

B. Immunizations - Enter all immunizations and dates
- Refer to the Health Policy in the Student Handbook for information about required immunizations.
- If you are unsure about names of immunizations, please call our office at 610-606-4640. You can obtain your immunizations through your doctor's office or high school.

C. Health Insurance Card (front and back)
- Refer to the Health Policy in the Student Handbook for information about the health insurance requirement and contact **Student Financial Services** (finaid@cedarcrest.edu or 610-606-4602) with questions. Uploading your insurance card to Medicat does not waive your enrollment in the College Student Health Insurance plan.

- Upload copies of health insurance and prescription cards (front/back) under the tab "Uploads". If you enroll in the College's Student Health Plan, upload those insurance cards when you receive them after your enrollment in the plan has been completed.
- Visits to Cedar Crest College Health and Counseling Services are provided at no cost. Students are responsible for the cost of services not provided by Cedar Crest College Health and Counseling Services, such as radiology and laboratory services and any outside health care provider evaluations and/or counseling. By submitting your health insurance information to Medicat, we'll be better able to advise you if off-campus treatment or medications are required.

Step 6: Complete the required forms by going to the icon marked **Forms** in Medicat.



A. **Medical History**
   - Complete information in its entirety (medical history, emergency contact, and communication preferences)
B. **Health Insurance Portability and Accountability Act (HIPPA) Acknowledgement** – complete the form
C. **Consent for Treatment** – complete the form
