SPONSORS PINS FOR ALL NURSING GRADUATES

Partners in Nursing (PIN) was established in 1995 by a group of alumnae, former and current faculty, Cedar Crest College staff and members of the Lehigh Valley nursing community to support nursing education at Cedar Crest College. Through the efforts of PIN, countless full-time and part-time nursing students, including traditional students, adult learners, and graduate students, have received scholarships over the past two decades. Today, the PIN Scholarship is endowed with more than \$145,000.

Committee members have been working to elevate the presence of PIN and its mission to our students, alumni, and community partners. PIN provides funding for a nursing pin for every graduate through donations made to the PIN General Fund. PIN also supports the students with funding for composite photos, equipment, and other programmatic needs annually.

The Partners in Nursing committee is proud to share the accomplishments and achievements of our graduates annually by presenting Cedar Crest College's **Distinguished Nursing Alumni Awards**. Please help us continue to recognize our graduates by annually nominating outstanding Cedar Crest College nursing alumni.

PIN is excited for the continued success of the Cedar Crest College School of Nursing and will continue to raise funds to support superior nursing education at the College, including scholarships, recognition awards, the Pinning Ceremonies, lecture series, equipment, and other materials.
